

****Steeleville Snowflake****

March 3, 2012

Make plans to attend this year's Snowflake! The location for the events is at the high school. There still will be a dance from 7-10 and food will be provided. The cost for Snowflake is \$15. We hope to see you all there on March 3 to join in our fun!

This year for Snowflake, Lifesavers members at the high school thought it would be neat to let the events participants design our shirts. It will be a contest between students in grades 5th-8th. The winning t-shirt idea will become the logo on the shirts.

This year's theme will be bullying and its effects. The shirt must be school appropriate and say "Snowflake" and 2012 somewhere on it. Other than that, the rest is up to you. Submit your designs to your school's office. The contest will end on Friday, January 27th.

Registration Form

Return this portion to your school's office if you plan to attend Snowflake. Please attach your payment at the time of submission. You must be registered by February 17th.
