November 5, 2020

Dear Steeleville Parents and Guardians,

The United States Department of Agriculture and the Illinois State Board of Education have approved an extension of the Summer Food Program that our District participated in during the Spring of 2020. This extension will allow all Steeleville students to receive one free breakfast and one free lunch per day through the end of the 2020-2021 school year. The program includes full reimbursable meal trays only and **WILL NOT** apply to recess milk, juice or ala carte items (High School only).

Parents/Guardians who have sent in money for these meals from September 1, 2020, to the current date have the following options:

- Apply the money already paid to meals for the 2021-2022 school year
- Apply the money paid to outstanding fees
- Apply for a refund contingent on all fees and prior year lunch balances being paid

Please contact the school office to speak with someone about your child's current lunch account balance.

Sincerely,

Stephanie Mulholland
Superintendent
